EXPERIENCE THE MYSTERY OF ITALIAN OPERA WITH OKIA'S MYSTIC MASK

OKIA and its patented HDA® Technology welcome a new exceptional and extremely refined eyewear style.

Mystic Mask – that is the name of these new sunglasses – is a true design masterpiece that reflects a gorgeous personal style. Representing the mystery and fascination of **Italian opera**, this frame is a perfect expression of fashion, elegance and tradition. Culture and evolution meet each other making the wearer experience the unique Italian lifestyle and taste. A sophisticated texture is shown on acetate through the application of **HDA® and BMT technologies** that highlight the liveliness of the design and give it an unmatched vitality. Bright and deep colours stand out against the black acetate base bringing attention to the frame and giving it an intriguing look. Wearing these sunglasses will be just like wearing a mask and entering the mystic world of theatre and fantasy!

Mystic Mask offers customers a **comfortable eyewear experience** perfectly matching their facial features while wearing it. In particular, its nose pad is tailor-made for Europeans, who show a more outstanding profile.

Thanks to the possibilities offered by the patented HDA® Technology, the hyperbolic structure of Mystic Mask is matched with personal style, thus becoming the best accessory ever as well as a singular collection item.
