

## OKIA Reveals Embroidery Collection

---

The new OKIA Embroidery collection offers a blend of exotic colors, fashionable patterns and innovation. Crochet and embroidery motifs define elegant and sophisticated frames offering an exceptional three-dimensional effect where bright shades like yellow, fuchsia, blue and light orange are enriched by gold and black. The new Embroidery HDA frames are the perfect expression of OKIA's commitment to fashion and technology. [www.okia.com](http://www.okia.com)
